

Texas Native Seed Collection List for South Texas

Common Name	Scientific name	Plant functional group	region	notes
GRASSES				
Rio Grande bristlegrass	<i>Setaria reverchonii ssp. Ramiseta</i>	warm season, perennial, mid to late successional	STX	
Knot grass	<i>Setaria reverchonii ssp. Firmula</i>	warm season, perennial, mid to late successional	STX	
Thin paspalum	<i>Paspalum setaceum</i>	warm season, perennial, mid to late successional	STX	
Vine mesquite	<i>Panicum obtusum</i>	warm season, perennial, mid to late successional	STX	wetter clay soils
Mexican spranletop	<i>Leptochloa fusca</i>	Warm seaon, annual, early successional grass	STX	
Fall witchgrass	<i>Digitria cognata</i>	warm season, perennial, mid to late successional	STX	
Buffalograss	<i>Bouteloua dactyloides</i>	warm season, perennial, mid to late successional	STX	male and female plants
Tobosagrass	<i>Pleuraphis mutica</i>	warm season, perennial, mid to late successional	STX	far west south Texas
Eastern gamagrass	<i>Tripsacum dactyloides</i>	warm season, perennial, late successional	STX	east south texas, wet clay soils
Texas cuprgrass	<i>Eriochloa sericea</i>	warm season, perennial, late successional	STX	clay soils
Alkali sacaton	<i>Sporobolus airoides</i>	warm season, perennial, late successional	STX	alkalin sites
gummy lovegrass	<i>Eragrostis curtipendicellata</i>	Warm seaon, perennial, early successional grass	STX	
Gulfdune paspalum	<i>Paspalum monostachyum</i>	warm season, perennial, late successional	STX	
FORBS				
Dwarf dalea	<i>Dalea nana</i>	warm season perennial forb	STX	
Prairie clover	<i>Dalea emarginata</i>	Warm season, annual forb	STX	
Low menodora	<i>Menodora heterophylla</i>	warm season perennial forb	STX	also known as redbud
Arkansas lazy daisy	<i>Aphanostephus skirrhobasis</i>	Warm season, annual forb	STX	
Plains lazy daisy	<i>Aphanostephus ramosissimus</i>	Warm season, annual forb	STX	
Snoutbean	<i>Rhynchosia spp.</i>	warm season perennial vine	STX	
Cowpen daisy	<i>Verbesina encelioides</i>	Warm season, annual forb	STX	

Mistflower	<i>Eupatorium spp.</i>	warm season perennial shrub	STX	
Red pricklypoppy	<i>Argemone sanguinea</i>	cool season, annual forb	STX	
Bladderpod	<i>Lesquerella spp.</i>	Warm season, annual forb	STX	
Pigeonberry	<i>Hirtella triandra</i>	warm season perennial sub shrub	STX	typically found in shaded areas
Wild buckwheat	<i>Eriogonum multiflorum</i>	warm season annual/biennial forb	STX	sandy soils
Palmleaf globemallow	<i>Sphaeralcea pedatifida</i>	warm season perennial forb	STX	
Wooly globemallow	<i>Sphaeralcea lindheimeri</i>	warm season perennial forb	STX	
Scarlet pea	<i>Indigofera miniata var. leptosepala</i>	warm season perennial forb	STX	
Bearded dalea	<i>Dalea pogonathera</i>	warm season perennial forb	STX	
Queen's-delight	<i>Stillingia sylvatica</i>	warm season perennial forb	STX	sandy soils
Wild mercury	<i>Argythamnia humilis</i>	warm season perennial forb	STX	
Paperflower	<i>Psilostrophe gnaphalioides</i>	Warm season, annual forb	STX	
Wild petunia	<i>Ruellia drushelii var. drushelii</i>	Warm season, annual forb	STX	
Ruellia	<i>Ruellia nudiflora var. runyonii</i>	Warm season, annual forb	STX	
Blackfoot daisy	<i>Melampodium cinereum</i>	Warm season, annual forb	STX
