

Daniel Garza Tobón

will be giving a public presentation on:
The Role of Nature Photography in Wildlife Conservation

Tuesday, April 30 4:00 p.m. at the Wildlife Center

Daniel is a Nature Photographer from Coahuila, MX. He has published several books of his photos and uses his work to promote conservation of Mexico's birds, mammals, and wild places.

After the lecture, there will be an exhibition of photographs from students in TAMUK's Wildlife Photography Program.
