

## Texas Natives Seeds Project Collection List

Common name	Scientific name	Plant functional group
three flower melic	<i>Melica nitens</i>	Cool season, perennial, mid-late successional grass
Texas wintergrass	<i>Nassella leucotricha</i>	Cool season, perennial, early-mid successional grass
little barley	<i>Hordeum pusillum</i>	Cool season, annual, early successional grass
sixweeks fescue	<i>Vulpia octoflora</i>	Cool season, annual, early successional grass
Texas bluegrass	<i>Poa arachnifera</i>	Cool season, perennial, mid-late successional grass
slim tridens	<i>Tridens muticus</i> var. <i>muticus</i>	Warm season, perennial, early-mid successional grass
rough tridens	<i>Tridens muticus</i> var. <i>elongatus</i>	Warm season, perennial, early-mid successional grass
white tridens	<i>Tridens albescens</i>	Warm season, perennial, early successional grass
hairy tridens	<i>Erioneruon pillosum</i>	Warm season, perennial, early successional grass
Mexican sprangletop	<i>Leptochloa fusca</i>	Warm season, annual, early successional grass
gummy lovegrass	<i>Eragrostis curtipedicellata</i>	Warm season, perennial, early successional grass
red lovegrass	<i>Eragrostis secundiflora</i>	Warm season, perennial, early successional grass
plains lovegrass	<i>Eragrostis intermedia</i>	Warm season, perennial, early-mid successional grass
meadow dropseed	<i>Sporobolous compositus</i>	Warm season, perennial, mid-late successional grass
tumble windmillgrass	<i>Chloris verticillata</i>	Warm season, perennial, early successional grass
fall witchgrass	<i>Digitaria cognata</i>	Warm season, early-mid successional grass
Texas panicum	<i>Urochloa texana</i>	Warm season, annual, early successional grass
Halls panicum	<i>Panicum hallii</i> var. <i>hallii</i>	Warm season, perennial, early successional grass
philly panicum	<i>Panicum hallii</i> var. <i>fillipes</i>	Warm season, perennial, early successional grass
vine mesquite	<i>Panicum obtusum</i>	Warm season, perennial, mid-late successional grass
common curly mesquite	<i>Hilaria belangeri</i>	Warm season, perennial, mid-late successional grass
tobosa	<i>Hilaria mutica</i>	Warm season, perennial, late successional grass
burrograss	<i>Scleropogon brevifolius</i>	Warm season, perennial, early-mid successional grass
buffalograss	<i>Buchloe dactyloides</i>	Warm season, perennial, mid-late successional grass
tumblegrass	<i>Schedonnardus paniculatus</i>	Warm season, perennial, early successional grass
red grama	<i>Bouteloua trifida</i>	Warm season, perennial, early successional grass
purple threeawn	<i>Aristida purpurea</i>	Warm season, perennial, early successional grass
silver bluestem	<i>Bothriochloa laguroides</i>	Warm season, perennial, mid successional grass
little bluestem	<i>Schizachyrium scoparium</i>	Warm season, perennial, late successional grass
Reverchons bristlegrass	<i>Setaria reverchonii</i>	Warm season, perennial, late successional grass
knotroot bristlegrass	<i>Setaria geniculata</i>	Warm season, perennial, early successional grass
Texas cupgrass	<i>Eriochloa sericea</i>	Warm season, perennial, late successional grass
Knotgrass	<i>Paspalum distichum</i>	Warm season, perennial, early successional grass
gayfeather	<i>Liatris punctata</i>	Warm season, perennial, mid-late successional forb
smartweed	<i>Polygonum pensylvanicum</i>	Warm season, annual, early successional forb
milkweeds	<i>Asclepias</i> spp.	Warm season, perennial, mid-late successional forbs
bundleflower	<i>Desmanthus</i> spp.	Warm season, perennial, mid-late successional legume
Mexican sagewort	<i>Artemisia ludoviciana</i>	Warm season, perennial, early-mid successional forb
Texas croton	<i>Croton texensis</i>	Warm season, annual, early successional forb
neptunia	<i>Neptunia</i> spp.	Warm season, perennial, mid successional legumes
scarlet pea	<i>Indigofera miniata</i>	Warm season, perennial, mid successional legume
deer pea vetch	<i>Vicia ludoviciana</i>	Cool season, annual, early successional legume
snoutbean	<i>Rhynchosia</i> spp.	Warm season, perennial, late successional legumes
trailing wild bean	<i>Strophostyles helvula</i>	Warm season, perennial, late successional legumes
milkpea	<i>Galactica</i> spp.	Warm season, perennial, late successional legumes
