

Coastal Prairies Native Seed Project Priority Collection List

Common Name	Scientific name	Plant functional group	Regions	Notes
<b>GRASSES</b>				
rosette grass	<i>Dicanthelium spp.</i>	Cool season, perennial, early successional grass	Coastal TX	common understory plant in native grasslands
splitbeard bluestem	<i>Andropogon tenarius</i>	Warm season, perennial bunch grass	Coastal TX, ETX	more common in ETX and northern Coastal region
purple threeawn	<i>Aristida purpurea</i>	Warm season, short-lived perennial bunch grass	Coastal TX, ETX	
gaping panicum	<i>Steinchisma hians</i>	Warm season, annual, early successional grass	Coastal TX	moist sites
Panamerican balsamscale	<i>Elionurus trapsacoides</i>	Warm season, perennial bunch grass	Coastal TX, ETX	Sandy sites
broomsedge bluestem	<i>Andropogon virginicus</i>	Warm season, perennial bunch grass	Coastal TX, ETX	wet sites throughout the region
longspike tridens	<i>Tridens strictus</i>	Warm season, short-lived perennial bunch grass	Coastal TX, ETX	
purpletop	<i>Tridens flavus</i>	Warm season, perennial bunch grass	Coastal TX, ETX	
silver bluestem	<i>Bothriochloa saccharoides</i>	Warm season, perennial bunch grass	Coastal TX, ETX	
Gulf muhly	<i>Muhlenbergia capillaris</i>	Warm season, perennial bunch grass	Coastal TX, ETX	Sandy sites throughtout the coastal region
thin paspalum	<i>Paspalum setaceum</i>	Warm season, short-lived perennial bunch grass	Coastal TX, ETX	Mostly found in shaded areas
brownseed paspalum	<i>Paspalum plicatulum</i>	Warm season, perennial bunch grass	Coastal TX, ETX	Common and sometimes dominant

Florida paspalum	<i>Paspalum floridanum</i>	Warm season, perennial bunch grass	Coastal TX, ETX	
gulfdunes paspalum	<i>Paspalum monostachyum</i>	Warm season, perennial bunch grass	Coastal TX, ETX	
seashore paspalum	<i>Paspalum vaginatum</i>	Warm season, rhizomatous grass	Coastal TX	
bushy bluestem	<i>Andropogon glomeratus</i>	Warm season, perennial bunch grass	Coastal TX, ETX	wet sites throughout the region
sugarcane plumegrass	<i>Saccharum giganteum</i>	Warm season, perennial bunch grass	Coastal TX, ETX	Large grass found in the northern counties of the coastal region
Eastern gammagrass	<i>Tripsacum dactyloides</i>	Warm season, perennial bunch grass	Coastal TX, ETX	along bottoms and waterways throughout the region
switchgrass	<i>Panicum virgatum</i>	Warm season, perennial bunch grass	Coastal TX, ETX	
yellow indiagrass	<i>Sorghastrum nutans</i>	Warm season, perennial bunch grass	Coastal TX, ETX	
crinkleawn	<i>Trachypogon secundus</i>	Warm season, perennial bunch grass, climax species	Coastal TX	sandy sites
big bluestem	<i>Andropogon gerardii</i>	Warm season, perennial bunch grass, climax species	Coastal TX	
<b>FORBS/SUBSHRUBS</b>				
<b>ASTERACEAE</b>				
Indian plantain	<i>Arnoglossum atriplicifolium</i>	Warm season, perennial	Coastal TX	
swamp sunflower	<i>Helianthus angustifolius</i>	Warm season, perennial; rhizomatous	Coastal TX	

Dog fennel	<i>Eupatorium compostifolium</i>	Warm season, perennial; rhizomatous	Coastal TX	sandy sites; pollinator species
late boneset	<i>Eupatorium serotinum</i>	Warm season, annual/perennial; rhizomatous	Coastal TX	wet sites throughout the region
plains coreopsis	<i>Coreopsis tinctoria</i>	Annual	Coastal TX	
seaside goldenrod	<i>Solidago sempervirens</i>	Annual	Coastal TX	Sites closest to marine environments
prairie coneflower	<i>Ratibida columnifera</i>	Warm season, Perennial	Coastal TX	
black-eyed susan	<i>Rudbeckia hirta</i>	Annual/ short-perennial	Coastal TX	
maximilian sunflower	<i>Helianthus maximiliani</i>	Warm season; Perennial	Coastal TX	only in certain areas along the coast
mistflower	<i>Conoclinium spp.</i>	Perennial	Coastal TX	
blazing star	<i>Liatris acidota</i>	Perennial	Coastal TX	Mid and Lower Coast
blazing star	<i>Liatris pycnostachya</i>	Perennial	Coastal TX	Mid and Upper Coast
rosinweed	<i>Silphium sp.</i>	Perennial	Coastal TX	
<b>ACANTHACEAE</b>				
wild petunia-Ruellia	<i>Ruellia humilis</i>	Perennial	Coastal TX	
<b>APIACEAE</b>				

rattlesnake master	<i>Eryngium yuccifolium</i>	Perennial	Coastal TX	dry upland prairie sites throughout the region
Hooker's eryngo	<i>Eryngium hookeri</i>	Annual	Coastal TX	wet sites throughout the region
<b>ASCLEPIADACEAE</b>				
green milkweed	<i>Asclepia viridis</i>	Perennial	Coastal TX	
<b>CYPERACEAE</b>				
white-top sedge	<i>Rhynchospora colorata</i>	Grass-like perennial	Coastal TX	wet areas; common in ditches
<b>FABACEAE</b>				
yellow false indigo	<i>Baptisia spp.</i>	Perennial; sprawling	Coastal TX	a couple different species
yellow neptunia	<i>Neptunia lutea</i>	Perennial; shrub	Coastal TX	
sensitive briar	<i>Mimosa microphylla</i>	Perennial	Coastal TX	
<b>LAMIACEAE</b>				
lemon beebalm	<i>Monarda citriodora</i>	Annual	Coastal TX	
<b>VERBINACEAE</b>				
Texas vervain	<i>Verbena halei</i>	Perennial	Coastal TX
